EXPERIENCE

Software Developer Intern **[Feb 2023 – April 2023]**

Evoluty IT Services / Visakhapatnam, AP

Role: Front-end developer

- During my internship at Evoluty IT Services, I demonstrated exceptional dedication and enthusiasm. With a strong commitment to professional growth, I effectively utilized skills in .NET, ASP.NET, and ADO.NET
- My ability to collaborate within a team and work independently, combined with effective communication skills, greatly enhanced project outcomes

PROJECTS

E-Commerce Website:

- **Objective:** To provide users with a seamless, secure, and intuitive platform for browsing, purchasing, and managing products and orders.
- **Role:** front end developer
- **Tools:** ASP.NET for the front end, ADO.NET for database connectivity, and .NET for backend processing.
- **Outcome:** A fully functional e-commerce website built enabling secure transactions, dynamic content, and seamless user experience.

Hospital Management:

- **Objective:** To Efficiently manage patient, doctor, and staff information, streamline appointment scheduling, billing, and inventory management, while ensuring data security and compliance.
- **Role:** Frond end developer
- **Tools:** ASP.NET for the front end, ADO.NET for database connectivity, and .NET for backend processing.
- **Outcome:** Improved operational efficiency, enhanced patient experience, better resource utilization, data-driven decision-making, increased accessibility, improved communication, and compliance with healthcare regulations.
